The Dead

LEVI S. HALL

Few men spend their lives in one neighbourhood, fewer still are born, live 78 years and die on the same farm. This distinction was enjoyed by Levi S. Hall, who passed away at his home, lot 13, con. 4, Toronto Township, on Monday. Mr. Hall saw the development of Toronto Township, and frequently compared the conditions now prevailing with those in his boyhood days. He liked to talk of early days in Churchville, then a thriving village with mills, factories, and shops. Here with Erastus Wiman (who, as a citizen of New York, became a continental figure and was soon one of the originators of the unrestricted reciprocity movement which gained such strength a few years ago), he was a school chum; later with E. King Dodds, another Churchville boy, who as orator and journalist, had a reputation dominion wide. Mr. Hall had the reputation of never forgetting a friend and constantly kept in touch with those with whom he had associated in boyhood. He was a Liberal in politics. He is survived by one daughter, Mrs. H. Wilson, Churchville, and two sons, George of St. John, Oregon, and W. J. at home.

Mrs. Levi Hall.

(2) July
On Friday of last week Mrs. Levi Hall died at her home in Churchville after a long illness, borne with fortitude and patience. Mrs. Hall, whose maiden name was Matilda Snure, was a woman of great originality and force of character, and was for many years regarded as one of the foremost women of the county. She was borne at Jordan, Lincoln County, and removed to Churchville in 1841. Sixty years ago, with her family, she took up her residence on what was afterwards known as Eldorado, but for many years was called the Snure place. Fifty-three years ago she became the wife of Mr. Levi S. Hall and since that time has resided at Churchville. Three children together with her husband survive, Mrs. Butler Wilson of Churchville, George of Portland, Oregon, and Wismer at home. The funeral took place to Churchville cemetery on Monday afternoon.

Interview with Mr. James Simeon Joyce, of 202 Jamieson Ave.

Re Snures;

Jacob Snure came from Jordan, and was the first member of the Snure family known to Mr. Joyce. Jacob married Rebecca Bradt. (Mr. Joyce knew nothing whatever re the Bradts and does not recollect them owning the mill at Eldorado unless it was before the Snures).

Jacob Snure had 6 children - 3 boys and 3 girls.

There was a Saw Mill and Carding Mill before the Grist Mill was built by Snure.

Wismer Hall's sister married Butler Wilson and their children are now in Churchville. Mr. Joyce suggests we write George Wilson the son.

Also, write to Miss Jennie Hill of Churchville.

She was housekeeper of Wismer Hall and is now on the property, it being left her by Mr. Hall. No doubt old records will be in the house.

Medicine

The community suffered a severe shock on Sunday last in learning of the unexpected death of Dr. William Hall, for thirty-five years one of the best known medical practitioners in the town and surrounding district. Dr. Hall was the son of the late William Hall, of King township, County of York, and received his early education in that section. Later he went to Walkerton, making his home with Malcolm McLean, a relative, and attended Walkerton High School. He taught school in that district for some time, and later attended McGill University, where he graduated in medicine in 1887. Coming to Brampton, he was associated with the late Dr. Charles Robinson, in medical practice and during the early years of his residence here took a post-graduate course in ^{skin} dermatology under Dr. Andrew Robinson in the city of New York. As a diagnostician, Dr. Hall was held in high repute in Peel, being summoned frequently for consultation with local physicians. Of a very quiet and retiring disposition, he took no part in public affairs, but was warmly liked and admired by the closer circle of friends with whom he mingled. He took a deep interest in all educational matters, and was keenly alive to all progress made by the science of medicine and surgery. In religion he was a Presbyterian and in politics followed the Liberal party. He was also a member of the Masonic Lodge of this town.

..... I will try to give you what information I have.

The cancer formula is still in our possession. I have the powder mixed by Mother, and which she used successfully on three different persons, at their own request. I also used it after her death on Grandma Hutton's arm. Dr.Hall (Dr.Wm. Hall, of Brampton) said it was a cancer, and she wished to try the powder, so I used it according to directions, it was much larger, the cancer, than appeared on the surface, and the roots were 1½ or 2 in.long when it came out. I kept it for some time in alcohol, but finally destroyed it but the plaster causes very severe suffering, and Grandma had a very sore arm under the Dr's. care, but he said the cancer was destroyed, but I was very nervous over it all, you may be sure, but it healed up nicely in time and never gave any more trouble, and it must have been 12 or 15 years before her death. But I cannot give you much more information regarding Grandfather being recorded as an Empire Loyalist himself further than he was an American., his home was in Vermont, and Jessie Bull thinks he owned land there from the Government. He was a soldier in the war, and was taken prisoner by

the British Indians, and had to run the Gauntlet for his life- and after the War they moved over to Canada, as many others did, and married my Grandmother (Sarah McMicking) at Niagara in 1918. (1818 ?)

This is practically about all I know, as we have no records, aside from the register of births, deaths etc. and hope this bit of information may be some help to you.
